One of your responsibilities as an American Red Cross Water Safety instructor is to make class time as safe, effective and rewarding as possible for your participants. This requires careful planning and preparation, especially when you consider what needs to be accomplished in the course session and during each lesson.

But Red Cross does not send a binder to put it in. When you order the manual, it is packaged as individual sheets with tabs and it's up to you to go out and buy a binder. Not that this was a deal breaker but the Red Cross provides a binder for the LGI manual so I think they should do the same for the WSI manual.
