Pursuit Remote Car Starter - sears.com

I have an Audiovox/Pursuit 5BCR05 remote start system that came on a used car we recently purchased. We can't get the car to start with the remote. If we press the key button twice, the lights flash and the remote fob plays a chime. The starter turns for about 2 seconds and then stops. It tries three times then stops. Wt step are we missing?

Remote start on Pursuit Pro-9800 alarm stopped working and I cant figure out how to make it work again. The two way remote channel that I used to press two times now gives the tone that I would get when I was shutting off the car from the remote instead of the tone that I get while starting the car.
