I wouldn't install anything to buff your requiem difficulty, at least for first run. The point of Requiem is exactly that, to make the world not level scaled, no roadside bandits dressed in daedric armor with enchanted weps, all of that shit is gone in Requiem. You should read Requiem manual and see how the creatures are tiered now.

I like games that are extremely punishing and Requiem turns the laid back Skyrim into one of those games. Requiem is pretty much the most niche overhaul for Skyrim. It is amazing for people that are looking for an overhaul that does what Requiem does and it is terrible for people who want something different.
