Solution manual engineering economy 1. SOLUTIONS TO SELECTED PROBLEMS Student: You should work the problem completely before referring to the solution.

Solution manual engineering economy - SlideShare

Engineering Economics . The essential idea behind engineering economics is that money generates money. You cannot compare \$10.00 today to \$10.00 a year from now without adjusting for the investment potential. A simple example would be to take the \$10.00 and put it in a savings account at 2% interests. After a year you have \$10.20 instead of \$10.00.
