What does a blinking Service Engine Soon Light Mean and how to clear it? ... 2003 Nissan Murano hard start with service engine soon on ... Blinking Check Engine Light/Brake Light/ABS Light ...

What does a blinking Service Engine Soon Light Mean and how to clear it?

I've got a 2010 F-150 STX with 4.6L engine. About 2 weeks ago, the service engine soon light came on and wouldn't go off. I took it to the dealer who just 'reset' the codes. The light does not stay on now, but I noticed that when the key is put in the 'on' position and 15 sec or so goes by, the service engine soon light will blink 8 times.

Service Engine Soon Light Blinking - Ford F150 Forum

The most common cause of a blinking Service Engine Soon light is that your vehicle's ignition system is misfiring. Spark plugs are only part of your ignition system. Depending on your year, make, and model - you could also have spark plug wires, distributor cap, rotor button, ignition coil(s), etc.

the converter. Good luck. Rodney Lacy . 21 months ago.

What It Means When a Check Engine Light Is On or Flashing

The check-engine light may be a graphic of an engine or similar icon, or it may contain the words "check engine" or "service engine." In some vehicles, a red check-engine light means the car needs absolute immediate attention while a yellow check-engine light means you need to make an appointment soon.

Why Is My Check Engine Light Flashing? | It Still Runs

If you ignore a flashing check engine light it is entirely possible that the vehicle burns up the catalyst and causes engine damage. The fix would then be something severe and extremely costly like a catalytic converter(s) or engine replacement which cost on average \$1,150 and upwards of \$5,000 respectively to fix.

Flashing check engine light - CarMD

If the check engine light of your BMW is on, it will either remain constant or blink depending on the issue. A steady light for the check engine indicator means that the issue is likely not serious or an emergency. However, a blinking check engine light usually means that there is a serious engine misfire.
