2003 Saab 9-3 Engine And Engine Cooling Problems

This is the low speed for the fan a should be engaged first to limit fan draw. The relay lives in the fuse/relay box in the engine compartment on the left side. The relay is in position E for the test. If a time delay relay is here, I would rewire to use a standard relay. Saab had a bulletin for this, 02/93-0305 entitled Radiator Time Delay Relay.

Cooling Fan Issues at Thesaabsite.com

Because of that, like the Saab 9-5, it is possible to buy a fantastic car for pennies on the dollar (we picked up a running 9-3ss for our next race car for \$500). However, like most cars bottoming out in value, it's important to keep an eye out for a few common Saab 9-3 problems when shopping for your next Saab.
