Each issue of the Radioengineering Journal is started by a feature article. Feature articles are organized by members of the Editorial Board to present the latest development in the selected areas of radio engineering. The Radioengineering Journal makes a maximum effort to publish submitted papers as quickly as possible.

Radioengineering - About the Journal

In part it goes into corporate ownership of radio in the US, stating: In 1983, 90 percent of U.S. media was controlled by 50 corporations. Today, just six corporations control that 90 percent... Among the 10% (of radio stations) currently not controlled by those six corporations is an alternative rock station in the Green Mountains of Vermont.
