Polycom Spectralink 8440 Configuration Guide

I was hoping that someone might have some more information regarding the Spectralink 8440 VoIP phone P/N 2200-37150-001 that cannot be found on the standard data sheet or user manual.. Do you have any information related to the following? - TAA compliance- Is the single phone desktop charger included or sold separately?- Operation within humid environments (e.g. operational within 5-75% humidity)

Spectralink 8440 TAA and other questions - Polycom

How does one go by getting the 8440 phone to connect to the wifi? I've gone into all the different settings and there is nothing in the phone that I can see that talks about the setup. I've read through the quick start and user's guide and found no reference. I'm guessing I'm missing something somewhere.
