Advertisement PDF and ebook search is one of the important searches which we do to find books or research paper related to a topic. Most of us use Google or other search engines for this book. Advanced users use Google filetype query to make search even more, better to filter results only to PDF. Still, it takes longer [...]

11 PDF Search Engines To Search And Download Free PDF Books

Let's face it. Finding antiquarian and rare books online has become a chore. Even most metasearch engines aren't making it as easy as they once did. With the proliferation of irrelevant material, low quality listings, PODs, e-books and the like, collectors waste too much of their valuable time trying to filter out the "noise".

BookGilt - Antiquarian and Rare Book Search Engine

He explains lucidly what is at stake in the emerging 'Search Engine Society'. This book is destined to be a central work in the field of digital media studies for many years." Siva Vaidhyanathan, University of Virginia "Too many of us approach search engines as if they are neutral, democratic, all-revealing guides to the internet.
