Smart Car Diesel Engine Problems

Hello. I am a Smart ForTwo lover and a new to this forum. I do not own a Smart yet, but in the beginning I would like to buy a used one. I have a serious question. I am located in Greece, Europe, and here a brand new Smart ForTwo costs around 10-12,000 euros. However, you can find a used one aged 1 to 6 years from 3000 up to 6000 euros. Many people told me that these cars, although they have an ...

I currently have a VW diesel, which I rack up 40k a year on and it's about time to replace it. Since the 450 diesel gets even better mileage than my VW, I'm starting to think this might be my next car. Other than getting one into the US, my biggest concern is how well these cars, and more specifically, these engines hold up.

Smart/Cdi (Diesel) Reliability and Longevity - Smart Car ...

Re: Fortwo engine's, do they all blow up? yep that's why my wife got a 451 :O) hopefully a great car that's now reliable as well as cool having said that I loved my 450 but it had engine probs coming so it had to go. I bought a 44 so hopefully both our Smarts are reliable now. We had a Roadster and that had no engine probs somebody told me they're better than the 450. Don't know if it's true

Fortwo engine's, do they all blow up? - smartManiacs

Interesting name origin aside, Smart are known for their city cars that can get into the tightest of

places and whether you like it or not, have established themselves into the mainstream automotive industry. But, how reliable are Smart cars? In this article, we look at how reliable Smart cars are, and how they compare to their rivals.

How Reliable Are Smart Cars? An Honest Look At The City ...

Grrrrrrrr problems with my smart car!!! ... The smart engine is a small engine with a lot of power for it's size, you need to change the oil more often than service intervals recommend, and you need to factor into the running costs of your car that at some point, usually between 40,000 and 80,000 miles your car's engine will need rebuilding. ...

smart car diesel | eBay

Smart Fortwo (2007 -) - Smart Petrol or Diesel. Hi, My girlfriend's considering a brand new Smart on the scrappage scheme. The question I have is should she go for a diesel or not as they have the dreaded DPF. This seems a strange thing to fit to a car destined for short urban journeys. How long would the car need to be driven for at speed to regen the DPF?
