I just purchased a Rowe/AMi Fiesta R-83 jukebox and it has an intermittent issue. Once you punch in your selection it will either rotate the transport and stop without choosing your selection or it will ignore the number you selected and go into the random free play and start playing all of the selections one at a time and it is necessary to hit the reset button to stop....

I inherited a Rowe AMI R-83 jukebox a few weeks ago. It has been sitting in a barn for 20ish years and to my mild surprise it powered up, selected records and played fairly well. It played the records pretty slowly but after cleaning and lubricating the table, post and pivot points that seems to be fixed.
