Small Engine Repair Charges

Re: Small Engine Repair Shop Prices - what is good/too much? in reply to red farmer 84, 05-09-2013 14:00:51 Well I'd say it mite be a little high, but with that being said, I fix things myself, and I wouldn't take a old cub to someone and stick into it what it's worth but, I think 45 dollars a hour is a little steep.

Small Engine Repair Shop Prices - Yesterday's Tractors

Our service costs vary according to equipment. The prices below should be used as a guideline, as all units are different. A "service" applies to running & operating vehicles & equipment only, not for equipment that needs repair. Costs vary according to the work necessary and parts needed on a unit.

Services - Mower Shop Products

I've messed around with and fixed/repared my own equipment all my life, so by no means am I an expert, but I have some experience. At the beginning of this year's season, and as a favor to one of my neighbors, I repaired their push lawnmower and they "thanked" me on our neighborhood website. That resulted in a few more people getting in touch with me thinking I'm some small engine repair service.

Cost of Small Engine Repair/Work - lawnmowerforum.com

Any major repair (not including tune-ups) Extra labor, parts, supplies and sales tax additional cost to the customer. Small engine repair hourly rate...\$50.00 Minimum \$60.00 charge for on-site estimates. Estimate charge applied to repair when customer ok's the repair contract/estimate.
