And in all seriousness, we've no such expectation. For its part, Pioneer still retains two more or less discrete A/V receiver lines, the more quotidian VSX range and the higher-end SC models. More or less: All of the SCs reside in the brand's specialist-oriented Elite series, while most of the VSXs remain in the "regular" Pioneer lineup.

following the operating instructions. Adjust only those controls that are covered by the operating instructions as an improper adjustment of other controls may result in damage and will often require extensive work by a qualified technician to restore the product to its normal operation. • If the product has been dropped or damaged in any way.
