My dad has a platina 100 from the past five years and has clocked 58k kilometres. I've tested the mileage every single time i've ridden it and it's always above 65kmpl and about your mileage, it's definitely going to increase after second service. I say this because my dad's bike used to return an amazing 90 kmpl for the first three years, at speeds varying between 30 to 50..
