Community Calculus

The "early transcendentals" approach, on the other hand, corresponds much more closely with how we actually think of exponentials and logarithms. Students who take only a single semester of calculus, which includes most biology majors at some colleges in the United States, do not see the exponential function and natural logarithm.

What's the difference between early transcendentals and ...

We are proud to announce the author team who will continue the best-selling James Stewart Calculus franchise. Saleem Watson, who received his doctorate degree under Stewart's instruction,

and Daniel Clegg, a former colleague of Stewart's, will author the revised series, which has been used by more than 8 million students over the last fifteen years.
