Nissan SR20DET Swap Guide Part 1 | Speed Academy

I just did this swap on my car. What i did was use my s13 dizzy, my s13 intake mani, my s13 ecu, and my s13 full wiring harness. Also you have to use one o2 sensor on the exhaust mani that only has one wire. **make sure to use the bracket of vaccum lines from the back of the s13 motor**. Then everything worked fine.

Best Engines Swap for 240sx?

Hi, I just bought a Nissan 240sx S13 and I was thinking of changing the motor to a Red Top SR20DET. First of all, is that a good motor to put in it, and how hard would it actually be to put in if I bought a Clip that came with the tranny. Also, does anyone know some things I could do to the motor befor I put it in to get some more power out of it.
