Valpo students repeatedly share what a positive impact their FOCUS experience has on their start to life at Valpo. It helps them feel more comfortable, learn more about their academic programs, find their way around campus, and discover resources they didn't even know existed before coming to FOCUS.

FOCUS New Student Orientation | Admission

The Sega X Board is an arcade system board released by Sega in 1987. As the third in Sega's Super Scaler series of arcade hardware, it was noteworthy for its sprite manipulation capabilities, which allowed it to create high quality pseudo-3D visuals. This trend would continue with the Y Board and the System 32, before the Model 1 made true 3D arcade games more financially affordable.

List of Sega arcade system boards - Wikipedia
