Principles of Engineering (POE) -- PLTW. Principles Of Engineering is the second of two foundation courses in the Project Lead The Way high school engineering program. The course applies and concurrently develops secondary level knowledge and skills in mathematics, science, and technology.

Principles of Engineering (POE) -- PLTW / Program Syllabus ...

Introduction to Engineering Design. Students dig deep into the engineering design process, applying math, science, and engineering standards to hands-on projects. They work both individually and in teams to design solutions to a variety of problems using 3-D modeling software,

and use an engineering notebook to document their work.

PLTW Engineering Curriculum | PLTW
