For folks who want music to be loud and pristine, a car stereo amp should definitely be a part of the picture. But even if the goal is to keep the volume low enough for conversation, amps for cars will breathe life into your music. Since factory-installed amplifiers are usually small, adding an external car amp is desirable for many.

Car Amplifiers: Car Amps - Best Buy

Back in the 90's, the electrical engineering student, Juliano Anflor, decided to develop a car audio amplifier as a college project. What started as a hobby, turned into a passion, and some years later into the business of his life.
