PSP mfg. Engine Test Stand. Billet Aluminum & Stainless Steel. All Adjustable with hardware. For Big or Small engines

PSP-Engine Test Stand. Billet Aluminum & stainless Steel ...

Engine Test Stand by PSP Mfg This is an excellent and very safe test stand, it is extremely heavy duty. It does not have the anti vibration base as it is an older version of the one that PSP currently sells.

Engine Test Stand by PSP Mfg - FlyingGiants

RE: Speaking of engine test stands: PSP Mfg I just made a new mounting board for mine by epoxying a 3/4 inch thick oak board and a 1/2 inch thick oak board together with the 1/2 inch board sticking about 4.5 inches out in front of the 3/4 inch one.

Speaking of engine test stands: PSP Mfg - RCU Forums

The engine is an MLD-35 that needs a new ignition. It is misfiring plus it was not warmed up and shows how well the dampening action handles the jerks and shakes.

Demonstration of PSP Mfg Vibration Dampening Test Stand

Engine Test Stands. The PSP test stand is bolted to the board. It is a simple set up. The tool stand is heavy enough for the engines I use but at some point it might be necessary to stake it to the ground or sandbag it if a large, powerful engine was mounted to the stand.

Airfield Models - Breaking In a Model Airplane Engine

I just started breaking in this GT33 on Sunday 6/3/12 on a PSP Vibration Dampening Test Stand. The engine is impressive and doesn't vibrate very much. It has very good power after only 32 ounces ...
