### **Porsche Engine Repair**

MB Motorsports specializes in engine rebuilds, IMS roller bearing upgrades and used engine sales. We know Porsche engines and can repair all types of failures: IMS bearing damage, cylinder scoring, intermix, cracked cylinders, d chunk issues and many more!

### **MB MOTORSPORTS - Porsche Engine Repair**

Every engine build we do is unique to that specific vehicle. Porsche engines may break down for numerous reasons and there are many options available to repair an engine, rather than replace it. It's much more cost effective to rebuild versus replace as you can't guarantee you won't have the same problem with a replacement engine.

### **Porsche Engine Rebuild & Repair - PKW Motorwerks**

It's known to cause major engine failure that can lead to a costly repair. Many 996 911 and Boxster models are known for IMS issues and are hard to resell. IMS roller bearing upgrade is included in every engine we rebuild. The same kit is also available for purchase anytime, free shipping worldwide. Prolong your engine life and enjoy your ride!
