Quicksilver Remote Control Manual

The only disassembly/assembly instructions I could find that fit my control were in one of the SELOC manuals I have (I have the Mercury motor repair manual also), but the SELOC manual had pretty good step-by-step instructions. This is the control: This is a picture of it out laying on the floor of the boat.

The outstanding warranty coverage on Mercury engines also extends to the controls and rigging components on your boat. If your builder or dealer uses genuine Mercury gauges and controls when installing the new engine on your boat, the warranty coverage for those rigging components now matches the total warranty of your engine.
