remote engine start | eBay

Remote starts are bad. I have one fitted to my Civic (it was on when I got it) I used to think it was awesome, get up to a nice warm car on a winter morning. This all changed when my car decided to kamikaze into my neighbours Transit van when i accidentally pressed the remote start button when carrying the keys and other items to a friends car.

Remote start | Overclockers UK Forums

1. Remote Engine Start features. z The Remote Engine Start allows the user to start the engine of a vehicle from a remote location using a remote control. z The user can turn on the air conditioner / heater beforehand so the cabin of the vehicle can be cooled or heated ahead of time.
