Reasons And Persons

Reasons and Persons is a 1984 philosophical work by Derek Parfit, in which the author discusses ethics, rationality and personal identity. It is divided into four parts, dedicated to self-defeating theories, rationality and time, personal identity and responsibility toward future generations.

Reasons and Persons - Wikipedia

Probably several longish books could be spun out from all the original material in Reasons and Persons-- certainly many journal articles already have been! However: while Parfit's style is very clear, and he doesn't refer as extensively as some philosophers to the work of previous authors, I probably wouldn't want to tackle this bad boy without ...

Reasons and Persons is unquestionably one of the most important philosophical works of the 20th century, although its conspicuous absence from bookstore shelves might suggest otherwise. But for those planning to read Parfit's masterwork of moral philosophy, I would like to offer two words of warning... First, Parfit is a very, very rigorous thinker.

Reasons and Persons by Derek Parfit - Goodreads

This book has four loosely connected parts. Part One discusses some ways in which theories about morality and rationality can be self-defeating. Such theories give us certain aims, but also tell us to act in ways that frustrate these aims. If these theories are revised, these objections can be partly met. Part Two discusses the relations between what a single person can rationally want or do ...

Reasons and Persons Analysis - eNotes.com

Parfit, Reasons and Persons Background: . Parfit is a utilitarian. The book is entitled Reasons and Persons because Parfit holds that "in various ways our reasons for acting should become more impersonal." (443) This is argued in three ways: 1. Moral action should aim to benefit the aggregate of people rather than specific people.

Parfit, Reasons and Persons - University of Tennessee

Parfit argues there one can appeal to the act-consequentialist morality even when many people are involved. The following five mistakes are responsible for people concluding that an individual making an altruistic decision with many people involved has made no difference. The five mistakes he identifies are The "Share-of-the-Total view" where the total good of an outcome is merely distributed ...
