General Harley Davidson Chat - What is wrong with RevTech engines? - I was reading in another thread to stay away from them. Just wondering why and what previous experiences with their engine were.

What is wrong with RevTech engines? - Harley Davidson Forums

> HD Specs > Harley for Sales ... We had a customer abandon his RevTech motor (no surprise, a valve went through the piston and he kept riding it) and we want to see which motor it is. Stroke is about 4.30" and bore is about 3.80" - That makes for about a 97" engine. None of the new motors match those dimensions...
