The SMEG Oven Symbols Guide. We can probably all agree that today, ovens are an indispensable piece of technology that no kitchen (or cook, for that matter) can live without. But while wiring these powerful pizza and cake factories to your power grid is a challenge in and of itself, your troubles are in no way over. In fact,...

The SMEG Oven Symbols Guide - Fantastic Services Blog

The symbols on Smeg ovens are shaped to relate to the elements and fans operating in the oven. For example, the symbol for convection cooking indicates that the top and bottom element will operate; the fan assisted symbol indicates that the top and bottom element is operating along with the fan; the fan-forced symbol indicates that the rear element and fan is operating.
