PLTW Engineering Professional Development is a dynamic learning experience for teachers focused on robust and flexible instructional support, on-demand resources, and a close-knit community of collaboration with fellow educators.

### **PLTW Engineering | PLTW**

With PLTW, we don't give kids answers – we only give them problems to solve. In addition, our curriculum becomes a means for students to aspire to accomplish great things. When you tap into that instinct in kids – helping others in need – it makes teaching fun and helps them see beyond the content, giving insight into how they can make ...
