This half stack includes the Randall RX Series RX120RH 120W Guitar Amp Head and the Randall RX412 Speaker Cabinet. Randall's goal was to develop a more affordable guitar amp with the tone of much larger combo amps and stacks.

**Randall RX120RH and RX412 Half Stack | Musician's Friend**

I find the RX120D, quite a versitile head. Since I do gigs that range in styles, I've found the amp to

be rather helpful. At the moment, Im using a Samick left-hand guitar fitted with a Floyd Rose Tremlo system, and DiMarzio Pickups (Evoloution - bridge, Fred - Neck), which I think just "boosts" how this amp really sounds.

**Randall RX120D User Review by Jared Priestley**

This amp packs an insane punch, if you cram this in your jam space, you are gonna only need to crank'er up to volume 2 to blow away everyone in the room.
