Scion Tc Engine Swap

Most likely, that's the only way to swap motors is to custom build the engine mounts, It's not that popular that aftermarket company's are making engine swap kits like Honda and Nissan do. So I'm gonna say that it would be a huge undertaking to swap a motor, size won't be an issue because there's all ready a 2.5L under the hood which is a ...

Club Scion tC - Forums - Engine Swap

The only person I know that has successfully done an engine swap is "chicagosfinests". Not sure if his car is a DD though. Other than that, the tC drift car has a 3s-GTE in it.

Club Scion tC - Forums - tC engine swap

Hello fellow Scion owners. I've recently been thinking of a new project to undertake on my ride and since I 'pretty' much have my exterior to where I want it and am working on the interior here and there, I want to start drafting up ideas for my performance. A thought I initially had to give the tC a hella of a bite is doing an engine swap.
