Ps3 System Activation Manual PDF Download

If you find that you cannot sign out of a temporary activation or manually deactivate a PlayStation system, you can perform a remote deactivation of all PlayStation devices. This action can only be performed once every six months and should be considered as a last step.

How to manually deactivate a PlayStation System

Find out how to activate your Primary PS4, perform a temporary activation on a friend's PS4 and activate a PS3 or PS Vita/TV. Activation links your PlayStation system to your account and allows you to access PlayStation Store purchases.

How to activate a PlayStation system

Sony needs to implement a dashboard console online for gamers with multiple systems to activate/deactivate systems based on MAC address. They offer little to no support for any kind of problem, the fact they told you its impossible to reset system counters is just a blatant lie, of course they can.

Re: PS3 System Activation. - PlayStation Forum

You can now deactivate any old/dead PS3 systems online :) You cannot select individual systems to deactivate, it's all or nothing, this can only be done once every 6 months (you can still deactivate/activate as often as required via the console).

Online deactivation is now available. - PlayStation Forum
