I wish that was the case here, you can not buy off road gas any where and there is no way to get the tax you paid for on road fuel or gas. The 4500P only turn 3200 wide open and I mostly run around 3000and I have some very steep hills but nowhere some claim to be 45 degrees that is 50% or a 1 to 1... and the 4500P is rated at 30 degrees.....

I am about to pull the trigger on a new machine, comparing a cat 262D, 242D and Bobcat 630 & 650. I'm leaning toward the 630 and like that they don't have a DPF or DEF to deal with but am leary on a whole new engine design without knowing it's been put to the test.
