Emy McGann, one of my former co-workers, who help me co-author several Revit MEP training manuals, and is one of the best BIM Managers I know, and Karpinski Engineering, have teamed up to release a Revit MEP template and content to help the small engineering firm get started in Revit. From their press release through the ASHRAE website:

### **The MEP BIM/CAD Engineer: 2014**

Revit software is specifically built for Building Information Modeling (BIM), empowering design and construction professionals to bring ideas from concept to construction with a coordinated and consistent model-based approach. It includes the functionality of all of the Revit disciplines (architecture, MEP, and structure) in one unified interface.
