You might think VGGTS is something that just spawns from our own minds, and game creators don't have the courage to put these types of beauties in their games.

Where are these VGGTS

Preliminary note: about the last half of this chapter resembles the children's game sometimes called "Telephone," in which one person in a circle whispers something into the ear of a neighbor, who then whispers it to their neighbor, etc., until the message comes back round to the original source, usually in unrecognizable form.
