You can write about a wealth of topics in a chemical-engineering research paper, ranging from thermodynamics or heat and mass transfer, to the mathematics involved in the field. To narrow your paper to a specific topic, frame your paper in a general topic category.

Chemical Engineering Research Paper Topics | Sciencing

Undoubtedly an Engineering thesis may be one of the most demanding types of research papers to complete. It is not just to the research and experimentation that the writer of the thesis needs to studiously apply himself. Likewise, the writing of the thesis itself has restrictions against personal tones and the use of layman's words where technical terms exist.
