Purging Oil System on 912S was created by paralax94 I have removed and reinstalled my oil cooler on my 912S, therefore I need to purge my oil system. I watched the video on purging the oil system and all is understandable and clear to me, until it gets to the part about the oil Cooler.

Purging Oil System on 912S - Rotax-Owner.com

Why Choose Oil Injection on Rotax Aircraft Engines? All Rotax 2-stroke Aircraft Engines (except the 447 UL) are now provided with an oil injection pump. But because of a lack of an adapted mounting system (as is the case for the Quad City Challenger / Challenger II ultralights), or because of dubious superstitions, some planes are still not equipped with oil injection.
