Have noticed the thread on scanning and providing shop manuals. I have a complete manual for the 1963 year which came with my 1960 Apache stepside. It has helped me a lot although obviously there are differences between the 1960 and 1963 models. The electrical schematics were a lifesaver in particular.

shop manuals - The Stovebolt Forums

I have two Elan Shop Manuals: One manual is the one that came with my Series 1 car and the other is a larger ring binder manual that seems to cover all the Elans. I also have the illustrated parts catalog for the S1, and a collection of workshop notes from Lotus; sort of like Airworthiness Directives for airplanes..

I would love to be able to do some of the service on my car myself. Anyone know if there might be shop manuals for us to buy? Judging by the "simpler" approach vs gasoline cars, it seems some of us who are more technically inclined might be able to service our own cars up to a certain extent ofcourse. Engine/motor swaps? rebuild tranny/gear replacement?

I'm a new proud owner of a D17 s4! (Spent way too much, but it had the AC loader -400 series- and an aftermarket 3point, and I had a hole in my pocket) Anyway, I've been looking around for shop manuals, operator manuals, etc. Is there a good source for them? I looked on eBay and there's the usual photocopied ones.
