Snap on Wheel Balancer | eBay

I just inherited a Snap-On Model WBK-2 wheel balancer. It's old, but it's complete and in good shape. But I don't have the user's manual. It's not intuitive on how to properly use this unit. This is a shot in the dark, but does anybody out there have the user's manual for this antique? Snap-On corporation can't help me.

Installation Manual operation Instructions

Be sure balancer is sitting squarely on all three feet. Remove all stones, old weights, and other foreign material from the wheel before balancing. Keep the area under the balancer free from old wheel weights, stones. etc. The wheel must be centered and tightened down snugly onto the shaft of the balancer before spinning.
