Ranger American was one of five companies that we contacted to come to our house and demonstrate their services. The Ranger American sales representative that was sent to our house was very thorough, explaining all of the different features that Ranger American offered. She was not pushy at all and took care of us like we were her only customers.

We just moved into a new house and the previous owners had an Ranger American PC1555 system monitored by ADT. The system light has come on and it is pointing to zone 4 "failure to communicate". System beeps every 20 min. I have replaced the battery from a 14.4-14.7 cycle use to 14.4-15.0. That did not work. I have tried to disable Telephone Communicator but do not know or understand the codes.
