simms injection pump | eBay

Please Note: Your fuel injection pump is a very technical device. Not only does it control your engine, but it also protects it as well. Repairing your pump yourself is a great way to save money; however, extra care must be used as serious pump and/or engine damage can occur. A person repairing their own injection pump is assuming this risk.

Injection Pump Parts - Advance Diesel Systems

Currently we have 45 people working in our establishment remanufacturing diesel fuel injection pumps, injectors, and turbo chargers. Our company started off just reconditioning nozzles, now we can remanufacture some of the new electronic injectors, and most of the costly internal parts of your fuel system.
