One of the less tangible reasons for the lack of user manual is that SketchUp's main evangelist authored a popular book on SketchUp, so there may have been a disincentive to do the manual when a quasi official manual was available. He's now left Trimble so perhaps some of the new staff will pick up the baton?

**SketchUp User Guide / Reference Manual is needed ...**

PDF files for Manual SketchUp Download. The SketchUp User's Guide contains step-by-step instructions on how to perform most all basic SketchUp tasks. The native SketchUp material editor supports only a texture and a transparency value – not necessarily sufficient to create visually stunning images such as the ones our users usually achieve .. This is why we came up with our very own material editor specifically for SketchUp, to make sure all of our users can enjoy powerful tools such as Bump- and Reflectivity maps.
