The Saab 9000 is an executive car that was produced by the Swedish company Saab from 1984 to 1998. Representing the company's foray into the executive car scene, it was developed as a result of the successes of the turbocharged 99 and 900 models. The 9000 remained in production until it was replaced by the Saab 9-5 in late 1997, although some final cars were produced into 1998.
