Sales Engineering

Sales Engineers. Commissions are usually based on the value of sales. Bonuses may depend on individual performance, on the performance of all workers in the group or district, or on the company's performance. Earnings from commissions and bonuses may vary from year to year depending on sales ability, the demand for the company's products or services,...

Sales Engineers : Occupational Outlook Handbook: : U.S ...

(November 2010) Sales engineering is a hybrid of sales and engineering that exists in industrial and commercial markets. Buying decisions in these markets are made differently than those in many consumer contexts, being based more on technical information and rational analysis and less on style, fashion, or impulse.
