Manually Check for Updates. You can also easily check for updates yourself from the setting of your BlackBerry PlayBook tablet. Tap "Settings", aka the gear icon in the top right corner of the Home Screen; Select "Software Updates" followed by "Check for Updates" You will now see one of two things:

How to update BlackBerry PlayBook Software

It is clear that we cannot hard-code change record numbers into the worker. And storing this information in the playbook would require a manual update to the playbook every time a new change is created. Furthermore, this limitation effectively nullifies the ability of a playbook to be used for two changes happening in an overlapping time span.
