For smaller locations or direct application, select our labels with are offered in three different materials for your specific needs. • Our labels and signs for manuals have the best graphics, with clear and bold text. Our universally recognized symbols help communicate warnings, alerts, and hazards.

Read Manual Labels - Read Instructions

Don't get me wrong: There is a lot of useless crap written in manuals. I'd wager that 10% of what's inside is valuable information. No one wants to sit down and read it, but here's the good news: If you know what to look for, you can get all the useful information by skimming, without dealing with any of the junk.

How to Speed Read The Best Parts of a User Manual | iFixit

Real users don't read manuals Designers tend to rely on manuals to educate their users. Physical manuals were abandoned ages ago for software but online manuals, helper texts, and tooltips are still very common.
