I have a nissan 2005 altima and the service engine soon light just came on. I checked all fluids and they are fine. - Answered by a verified Nissan Mechanic

I have a nissan 2005 altima and the service engine soon ...

I got out in my car late last night ready to go to a party and noticed my "Service Engine Soon" light turn on. Read the manual and it stated that if it was a *solid* light, then chances are the gas cap was loose or not on. Basically this triggers off the EEC sensor and needs one or more trips to reset.

Service Engine Soon solid light - Nissan Forums : Nissan Forum

Make sure your gas cap is properly secured. I got the "service engine soon" light (came on while I was driving on the highway) almost two weeks after pumping gas. When I took it to the dealer, they said that my gas cap was a little loose and the system throws a light when it notices that there isn't a proper vacuum.

Service Engine Soon?!?!?! - Nissan Forum | Nissan Forums

Nissan/Mitsubishi/Chrysler all say Service Engine soon which is misleading it doesn't require routine service as you would be led to believe by that message. If the Check Engine Light/Service Engine Soon light illuminates while you are driving, the car's on board computer sees a fault in the engines management system that is causing an excess ...
