Checked with the tech tool, it comes fuel metering code, can bus code...

SOLVED: How to reset engine light ? Holden captiva 60th ...

Two weeks ago the engine light in my 2010 Holden Captiva came on and stayed on. I bought it last October and took it back to the used car dealer I bought it from to get it fixed. They plugged a computer in to it and reset it. The guy said it should be ok now, and that it was probably caused by a bad batch of petrol, but it came on again. I took it back last week, but after having it for two ...
