One of the most debated topics on any car forum. Below is the table which the recommended GM specifications. The engine oil discussion in Tech Talk can be found here: The oil thread Earlier

versions of the 9-5 were not required to use synthetic oil but it is now recommended to only use synthetic. Not using synthetic oil was one of the reasons of the engine failure/sludge problem in earlier models.

Saab 9-5 Oil Specification

The Car: 2001 Saab 9-5 SE, 77k miles. Problem: So a few weeks ago, when I went to start my car, for some reason the engine wouldn't turn over. The electronics all came on and the dash lit up, but the engine wouldn't start. This had happened previously a few times, but I had discounted it because all I had to do was turn the key again to get it ...
