This chapter provides an overview of developmental social work tracing its history, theoretical assumptions and strategies. It shows how developmental social work was influenced by the Global South. Key theoretical concepts used in the field are described. These concepts are consonant with social work's increasing emphasis on the strengths and empowerment approaches.

Theory and Practice of Developmental Social Work - Oxford ...

The purpose of accounting is to provide the information that is needed for sound economic decision making. The main purpose of financial accounting is to prepare financial reports that provide information about a firm's performance to external parties such as investors, creditors, and tax authorities.
