I just happend to run accross your forum while looking for a little help! I'm very impressed with the content and the accuracy of the information I found. I have a Bavaria 44 with a Volvo Penta D55 and a MS25SA Saildrive. I have water in the transmission, I'm getting ready to haul it as soon as Volvo gets me the parts, I'm pretty sure of what I'm going to need for this problem.

Volvo has a 72 hour parts guarantee in place and fills orders at over 95% of those requested. To counter the claim that Volvo has less dealers—it instituted a 24-hour service hot line for people to call in repair requests. Volvo has an engine-mounted water pump on its drives which the manual tells you to replace every year.
