Best Answer: yea all you probably tampered with the video output settings... first you turn off your ps3 so it will be in standby mode. Then you go over to the back of the console and turn the main power off so you will not even see a red light. After a minute turn the main power off so you WILL see a red light.

### how can i manually reset my ps3? | Yahoo Answers

Know Game Manuals, for Playstation console from the official PlayStation website. Explore Game Manuals game detail, demo, images, videos, reviews.

### Manuals - PlayStation

The "Restore PS3 System" option should be your last resort if no other fixes will work, or if you need to purge all data from the PS3. Data removed in this manner is irretrievable, meaning all progress in any of your games, downloaded titles, music and video will be completely lost.
